Assistant Superintendent

**East Hampton Golf Club
Long Island, NY**

DATE: 2/16/2023

COURSE / BUSINESS: East Hampton Golf Club

COURSE / BUSINESS INFO: Situated on what was once farmland owned by a local East Hampton family, the 18-hole layout was designed by world-renowned golf course architects Ben Crenshaw and Bill Coore. The course offers a challenging and contrasting mix of holes played on inland links and parkland-style natural contours. The greens offer challenging undulations surrounded by deep-faced bunkers and beautiful sandy waste areas. It has been called by many visiting golf professionals and writers a "hidden gem"! Our staff at every level focuses on providing our members with a memorable and enjoyable experience. While we are very proud of the physical plant, we are even more proud of our staff.

RESPONSIBILITIES: The Assistant Superintendent works closely alongside the Golf Course Superintendent to strategize, coordinate, and implement a successful maintenance program. Candidates should understand and be willing to develop and maintain a strong team atmosphere relating to the entire turf maintenance staff. This position suits a candidate who desires career development opportunities ranging from basic agronomic practices to improving communication skills needed to make the next step in their career. Open communication, ambition, and a willingness to learn and grow are desirable traits that the candidate should have.

QUALIFICATIONS: A certificate, degree, or substantial experience in Turfgrass Management.

COMPENSATION: \$80,000 to \$90,000, depending on experience.

BENEFITS:

- Single room shared housing with other upper management staff members
- Health insurance
- 401k eligibility
- Year-end bonus
- Local/national association dues
- Paid time off, including holiday, vacation, sick and personal days
- Staff meals
- Uniforms
- Golf privileges
